Josh,

Sorry we could not get a call together last week. The parties wanted to talk to you about a request for an extension of time to file testimony. The SCTC's testimony was due on Monday, September 9. On that day, we understood it was very likely we would receive a signed stipulation from Conterra, but in the event we did not have it in hand on Monday, Conterra consented to an extension of time for the filing of testimony. We still do not have definitive word from Conterra on the stipulation and, in light of that, we are requesting an extension of time so that we may file testimony in this proceeding if necessary. SCTC, Conterra, and ORS are in agreement on the following dates:

Prefiled testimony date for all other parties – September 25 (changed from September 9)
Rebuttal Testimony – September 30 (changed from September 16)
Surrebuttal Testimony – October 4 (changed from September 23)

It is our hope that this extension will allow the parties additional time in which to resolve this matter without the need for a contested case hearing. We appreciate your consideration.

Peg
